**RE: FIRE COALITION PRESS CONFERENCE: Thursday, November 03, 2011**

**The Illegal Alien Crime Reporting Act of 2011**  
**Remembering the American Victims of Illegal Alien Criminals**

[FIRE Coalition](#), in partnership with the [Tea Party Immigration Coalition](#) and the [Foreign National Crime Information Center](#), will hold a press conference in Washington, D.C., Thursday, November 3<sup>rd</sup> to support Congressman Walter Jones' (NC-3) [H.R. 3168, The Illegal Alien Crime Reporting Act of 2011](#), and to designate November 6<sup>th</sup> as The National Day of Remembrance for the Victims of Illegal Aliens. We thank Congressman Steve King (IA-5) for introducing a House Resolution naming November 6<sup>th</sup> as "The National Day of Remembrance for the Victims of Illegal Aliens."

"November 6<sup>th</sup> is the 25<sup>th</sup> anniversary of the 1986 Immigration Reform and Control Act Amnesty," said John Stahl, Chairman of the Tea Party Immigration Coalition. "One legacy of the IRCA amnesty is millions of illegal aliens who continue to invade our country expecting another amnesty and some of them are violent criminals. It is appropriate that November 6<sup>th</sup> be the day that we observe a moment of silence, remembering the tens of thousands of unnecessary victims of illegal alien crimes. They are 'unnecessary victims' because if the federal government did its job, secured our borders and enforced our immigration laws, we wouldn't have illegal alien criminals victimizing innocent American citizens and legal immigrants."

"Currently, there is no way to determine the actual number of victims of illegal alien crime," said FIRE Coalition National Director Jeff Lewis. "The March, 2011 GAO report on [Criminal Alien Statistics](#) only hints at the problem. Congressman Jones' legislation is not an 'immigration bill,' Lewis concluded. "It's a crime bill, and one that's long over due."

The Foreign National Crime Information Center's Victims of Illegal Alien Crime Memorial ([VOIAC.org](#)) has a database of victims of illegal alien criminals. The public can also submit new 'unnecessary victim' entries.

FIRE Coalition is pleased to partner with Tea Party Immigration Coalition, The Foreign National Crime Information Center, and all Congressmen and patriots who desire to make America safer by forcing our government to secure our borders and enforce our laws. Remember these victims next Sunday, November 6, 2011, and ask your Congressman to co-sponsor the "Illegal Alien Crime Reporting Act of 2011." The life you save may be your own!"
